HOSTING PROGRAM for the Congress

IPSO has developed a HOSTING PROGRAM for private housing during the Buenos Aires Congress. This will enable a more intense exchange amongst colleagues and also reduce costs for accommodation during the Congress. This PROGRAM depends on colleagues from Buenos Aires who offer to host other colleagues at their homes and colleagues who will come to Buenos Aires and make use of this PROGRAM. It works via a special HOSTING PROGRAM WEBSITE where colleagues can offer and ask for accommodations and then will be connected to coordinate the housing. Please take a look the HOSTING PROGRAM WEBSITE → www.ipso2017host.org

Take also a look at the IPSO Website www.ipsoworld.com to find more detailed information about IPSO and the IPSO CONGRESS.

We look forward to see you in Buenos Aires in July 2017!

On behalf of the IPSO Executive Committee

Kind regards,

Holger Himmighoffen

IPSO President
